## NXP Corporate Overview

Q2 2025

The NXP logo is rendered in white, bold, sans-serif capital letters. The 'N' and 'X' are joined together, and the 'P' is slightly offset to the right. The logo is positioned on the left side of the image, centered vertically.

**NXP**

**Brighter Together**

# Together, we pioneer solutions.

**We anticipate tomorrow's needs—navigating a changing world by bringing together technology's brightest minds to build game-changing solutions that propel us forward.**

NXP Semiconductors N.V. (NASDAQ: NXPI) is the trusted partner for innovative solutions in the automotive, industrial & IoT, mobile, and communications infrastructure markets. NXP's "Brighter Together" approach combines leading-edge technology with pioneering people to develop system solutions that make the connected world better, safer, and more secure. The company has operations in more than 30 countries and posted revenue of \$12.61 billion in 2024. Find out more at [www.nxp.com](http://www.nxp.com).

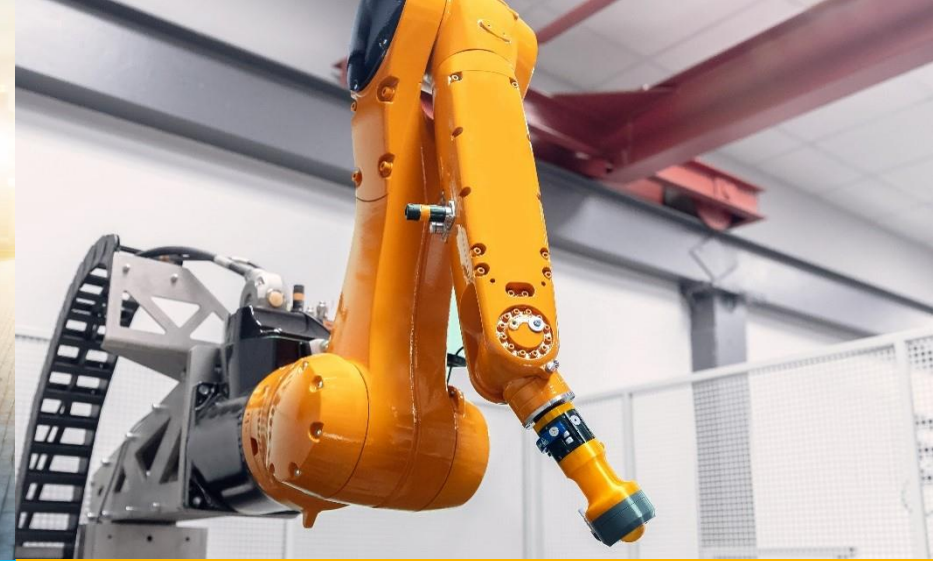

## Corporate Overview

Together we accelerate  
the **breakthroughs** that  
advance our world

We design purpose-built,  
rigorously tested technologies  
that enable devices to sense,  
think, connect and act  
intelligently to improve  
people's daily lives.

## Corporate Overview

**A position of strength to better serve our 26,000+ customers**

NXP Semiconductors N.V. (NXP) is a public Dutch company with headquarters in Eindhoven, Netherlands, and locations throughout the globe.

NXP has over 33,100 dedicated team members united by a passion to build solutions—not just products—that enhance the capabilities of people, organizations and society at large.

**60+ year**  
history of experience  
and expertise

**9,500**  
patent families

**~33,100**  
talented team

**~11,600**  
R&D members

Present in  
**30+ countries**

**\$12.61B**  
annual revenue<sup>1</sup>

<sup>1</sup> Posted revenue for 2024 – Please refer to the Financial Information page of the Investor Relations section of our website at [www.nxp.com/investor](http://www.nxp.com/investor) for additional information.

## Corporate Overview

# A smarter world will be more sustainable

As our digitally-enhanced world is evolving to anticipate and automate people's needs, NXP strives to engage, protect and respect our relationship with the world.

Our sustainability goals

# NXP Sustainability mission

Advancing a more sustainable world

	Strategy	Guiding principles
<div>Innovation</div> <div></div>	Innovate advancements that enable a better, safer, more secure and more sustainable world.	Push boundaries and explore new approaches to develop innovative and sustainable products and solutions.
<div>Environmental</div> <div></div>	Optimize our use of resources and impacts associated with our operations.	Pursue continual improvements to use resources efficiently and responsibly.
<div>Social</div> <div></div>	Leverage our global team to actively drive our business strategy and impact on the world.	Respect human rights and promote an ethical, safe and healthy work environment. Foster an environment of trust and respect, where team members collaborate to drive innovation.
<div>Governance</div> <div></div>	Collaborate with our stakeholders on global sustainability initiatives. Build trust through transparency in our business practices and operations.	Proactively assess risk and build resilience through robust governance systems, including appropriate goals and processes.

Sustainability

2024 sustainability highlights

Environmental		Social		Governance	
Validated Scope 1, 2 and 3 emission reduction targets with <b>SBTi</b>	<b>55%</b> Water recycled	Certified as a <b>Great Place to Work</b> in 17 countries	<b>90%</b> of team members are proud to work at NXP	Completed the <b>Living Wage</b> gap analysis for all NXP team members	<b>100%</b> Certified conflict-free 3TG smelters
					
<b>39%</b> Decrease in absolute Scope 1 and 2 emissions since 2021 baseline	<b>44%</b> Renewable electricity use	Turnover rate remains <b>Below</b> competitive benchmarks	<b>243</b> engineers received "My First Patent Awards"	<b>100%</b> of suppliers signed the Supplier Code of Conduct statement	Reviewed and updated the NXP <b>Supplier Code of Conduct</b>
					
<b>89%</b> of waste recycled	Completed <b>Solar Installations</b> at 4 sites	Expanded targeted <b>Development Programs</b> for all team members	Achieved an all-time low total case incident rate (TCIR) of <b>0.07</b>	<b>50%</b> of Board directors have sustainability experience	<b>96%</b> of team members feel NXP is committed to ethical practices
					

## Our Operations

# NXP **global operations**

### **Total quality**

Provide the right products, delivered on time, fulfilling the highest quality standards – up to automotive levels – with a zero-defect mindset

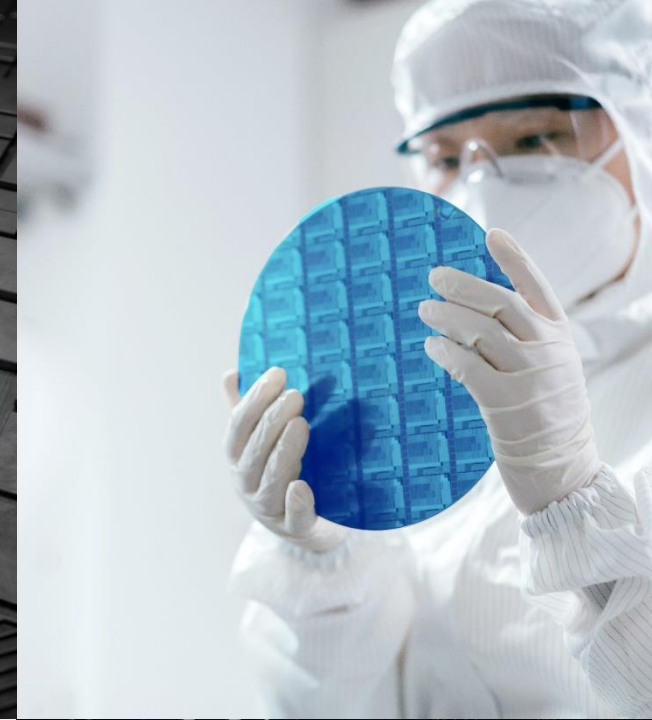

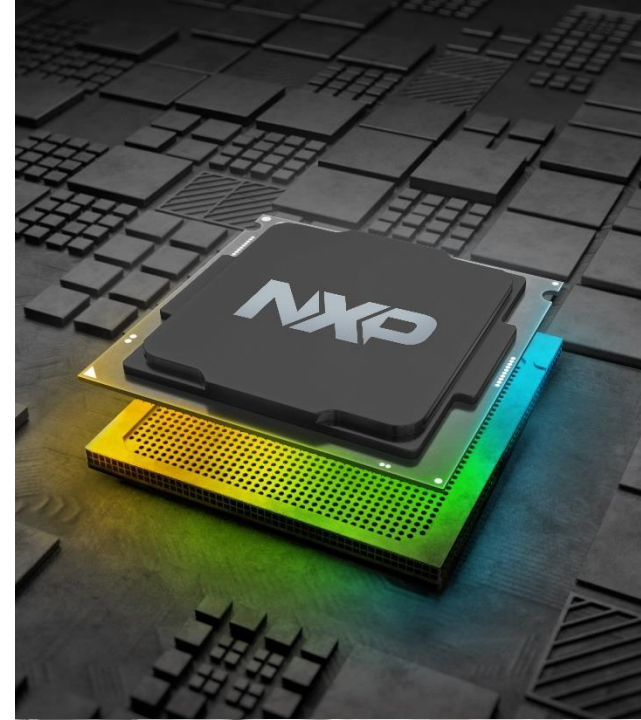

### **Flexibility**

Secure cost-competitive capacity through a flexible industrial footprint

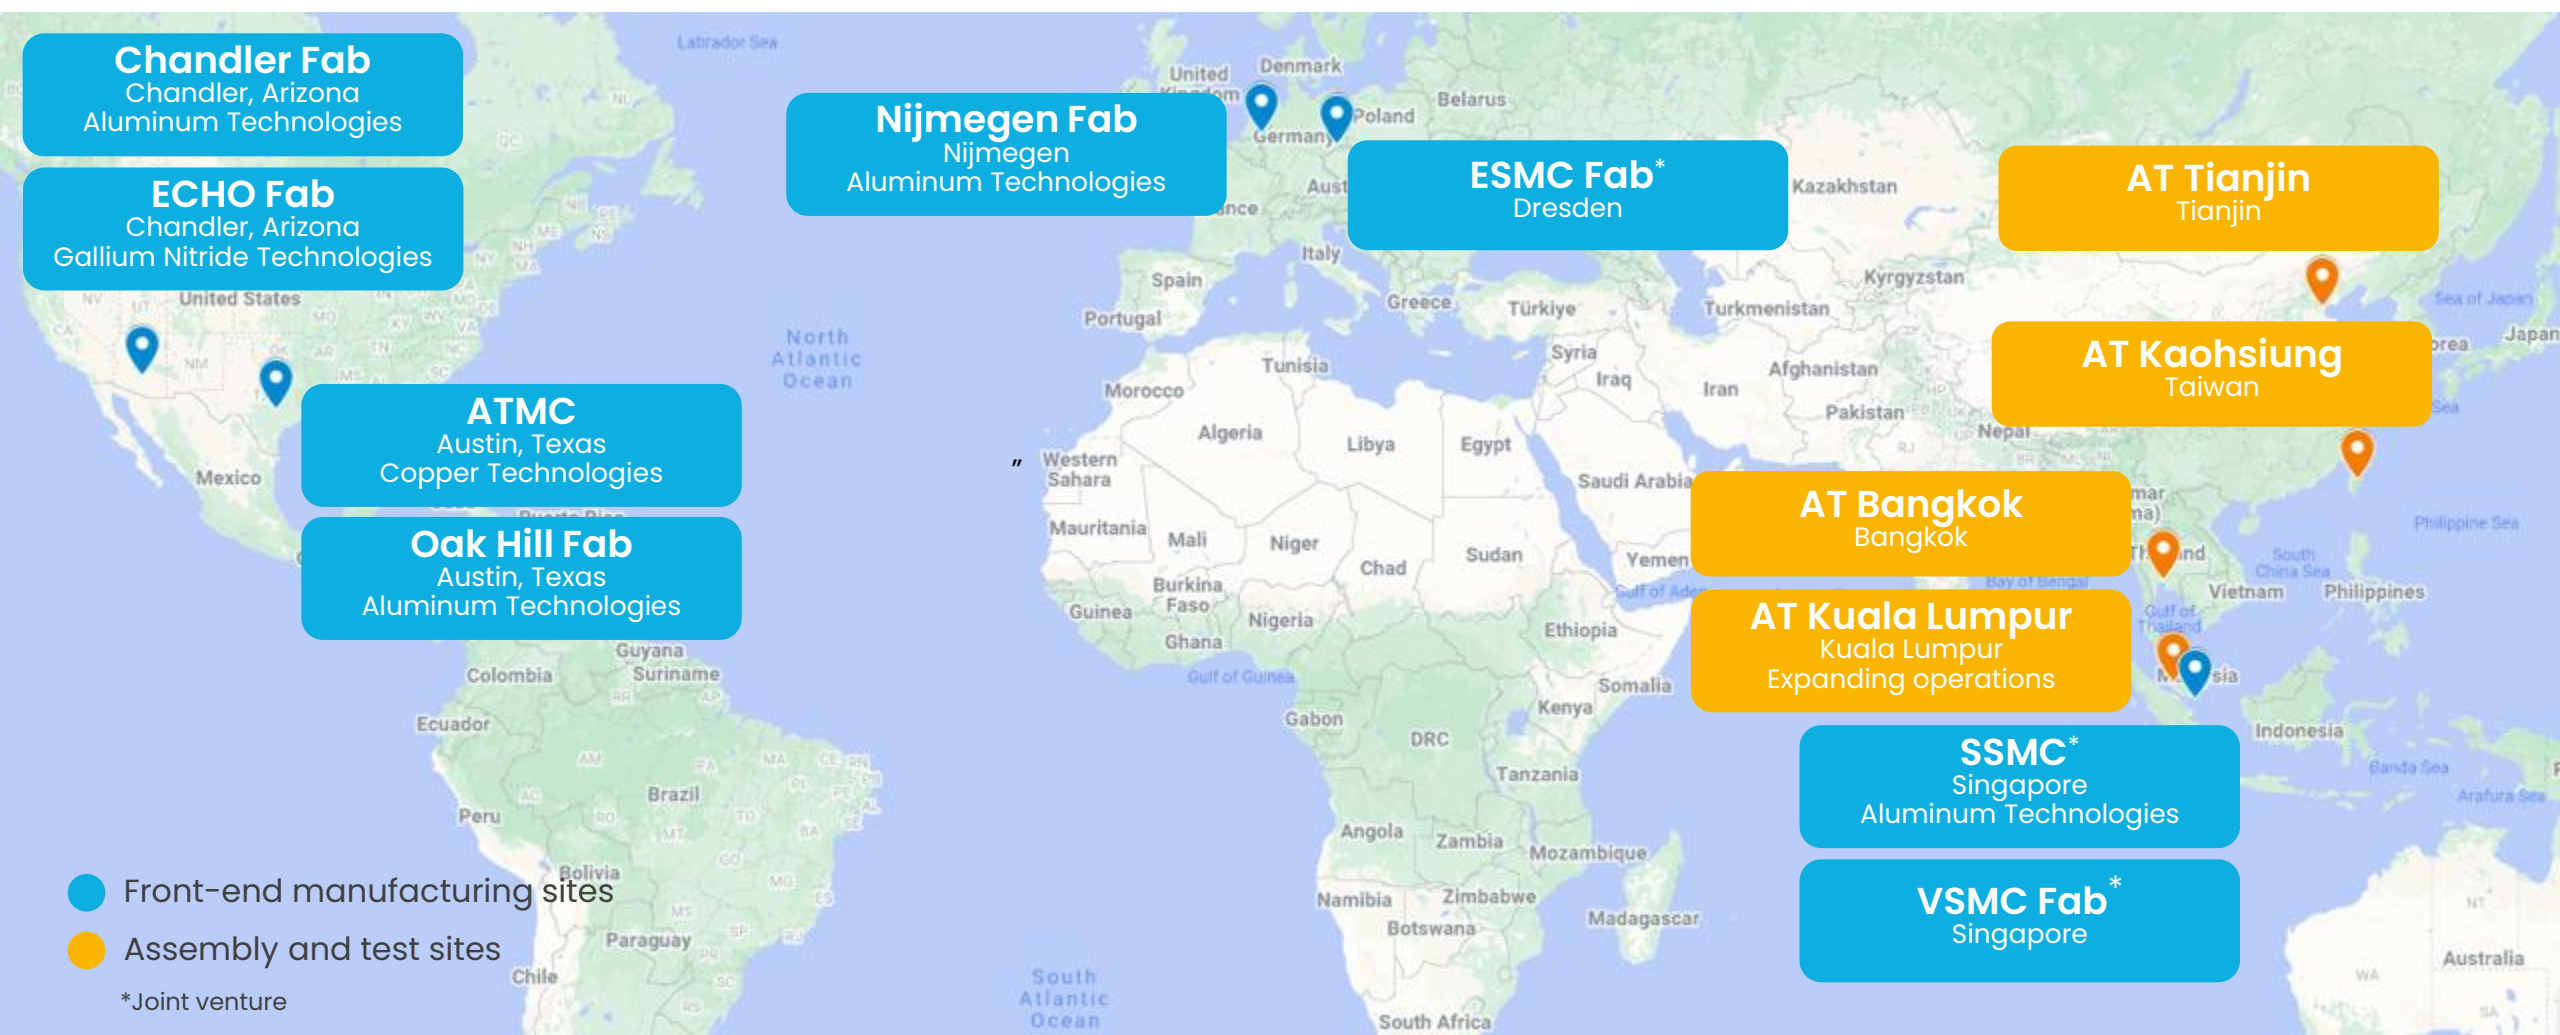

### **Capability and talent**

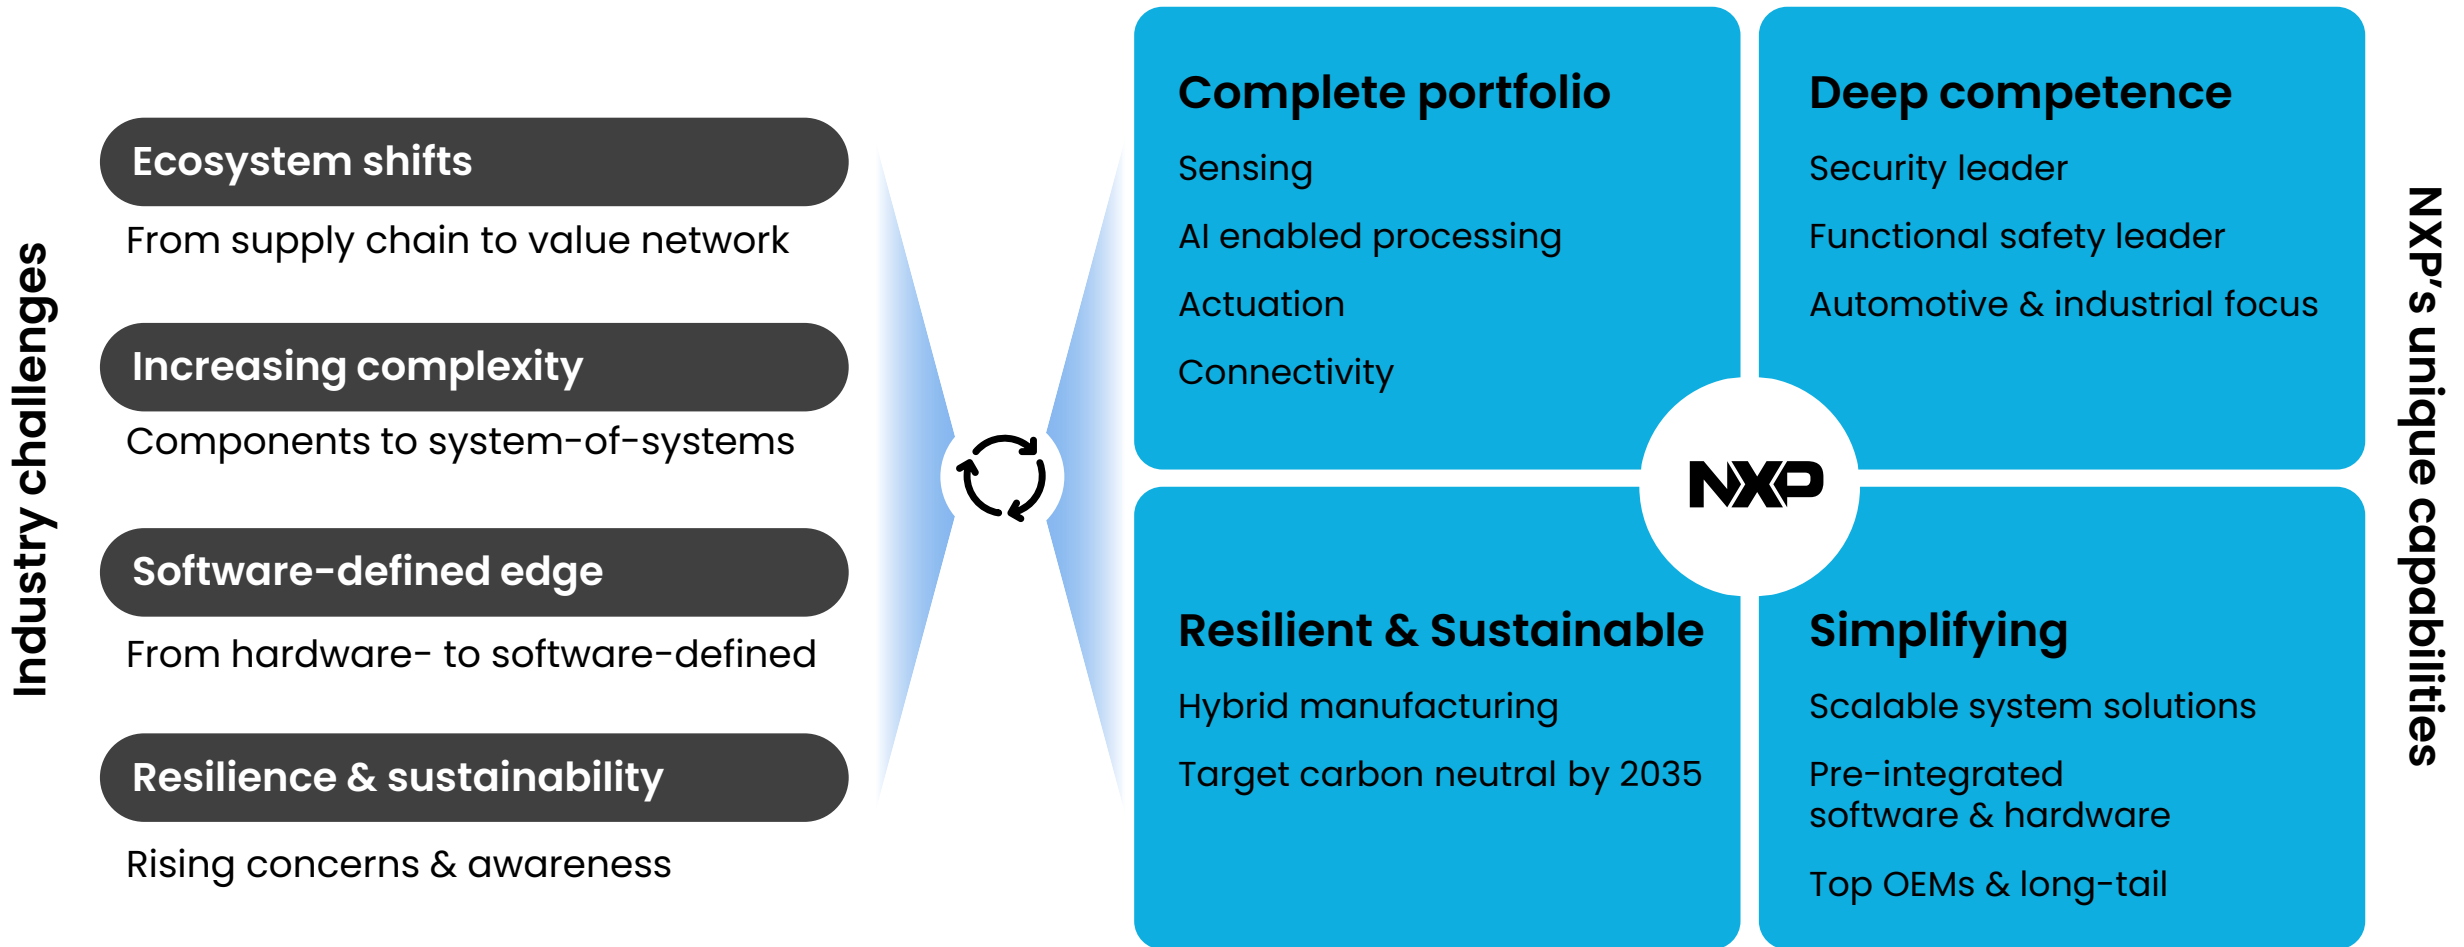

Drive a high performance organization and people capability

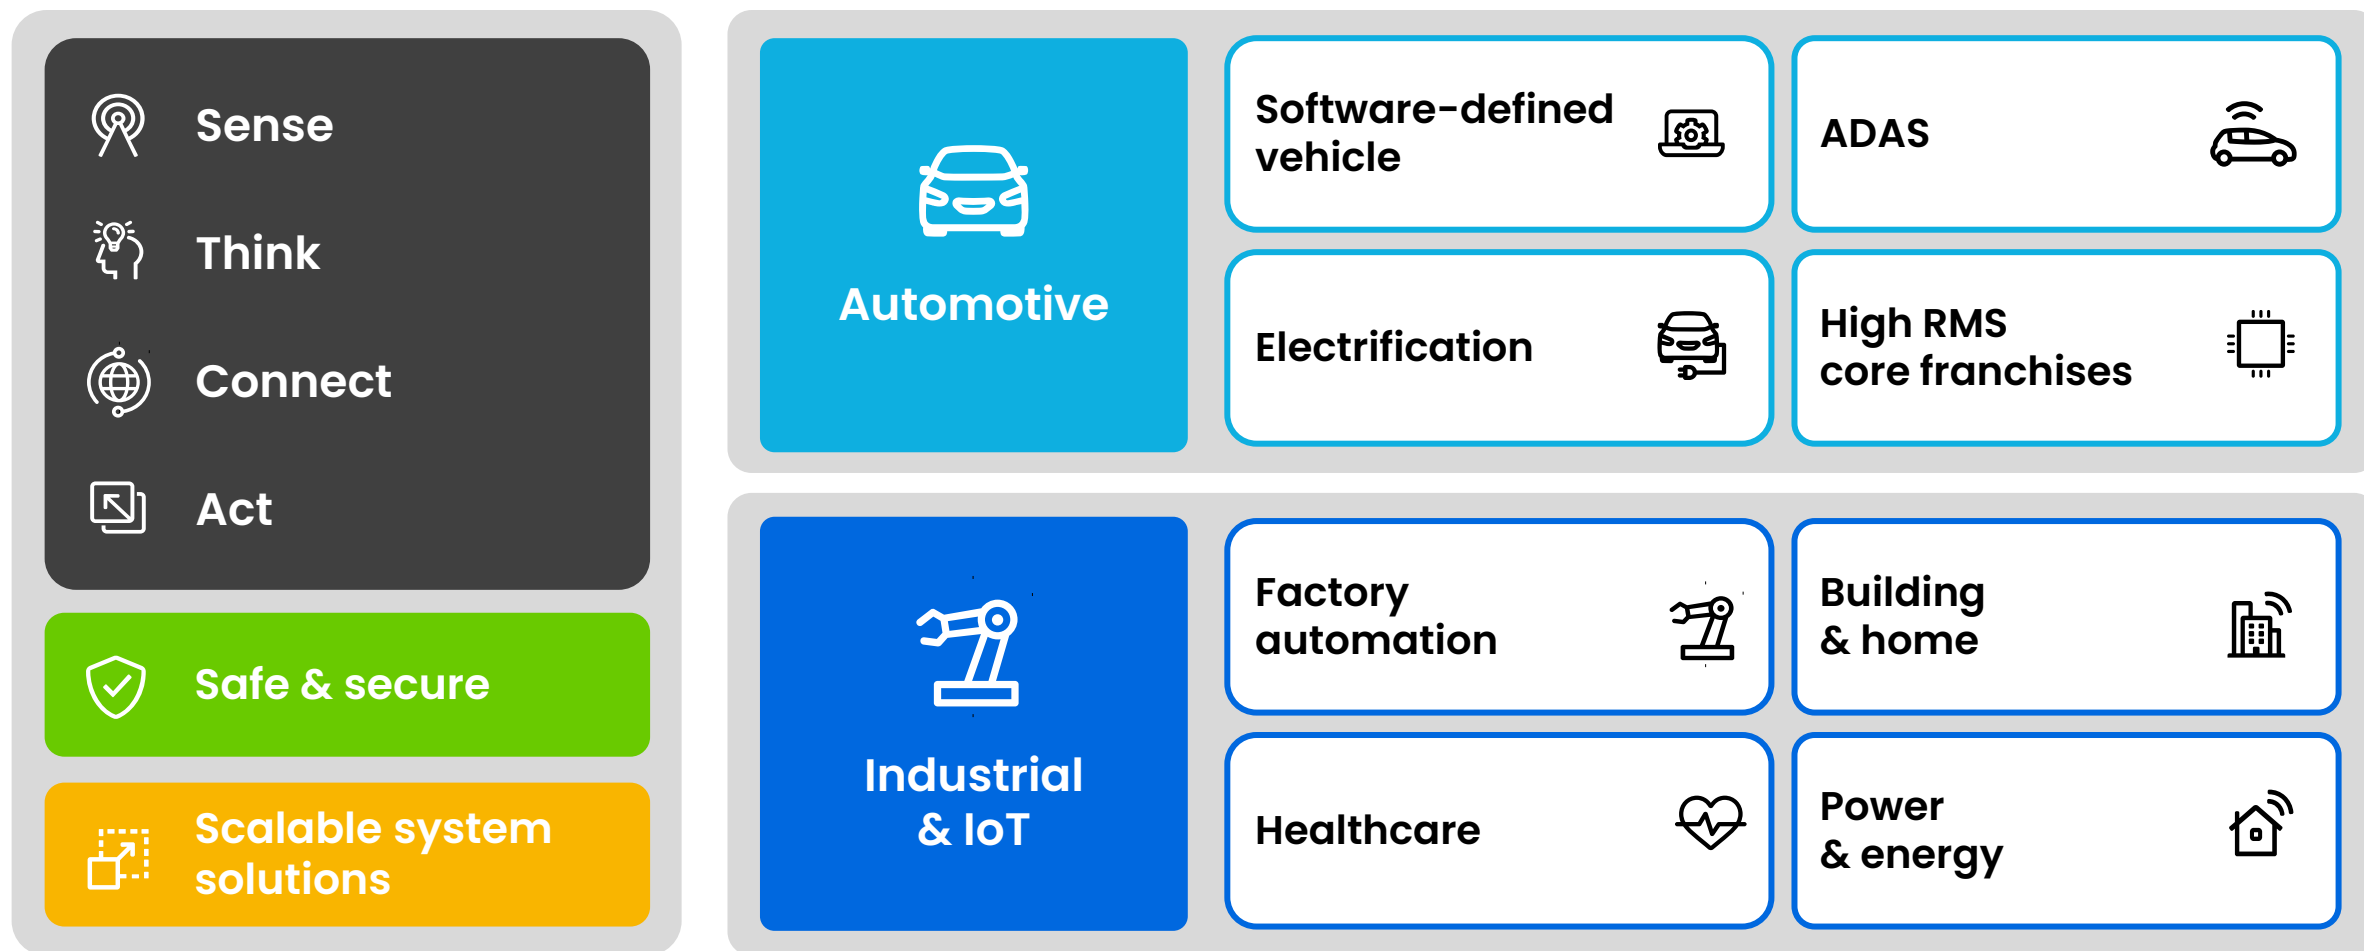

# NXP Front-end manufacturing and assembly and test sites

# NXP uniquely positioned to bring intelligent systems to the edge

# NXP **uniquely positioned** to bring intelligent systems to the edge

# Major **technology vectors** for any smart device

NXP is uniquely positioned across all building blocks

# NXP helps enable complete solutions

# Automotive

**Transforming toward a software-defined future.**

## Innovation

Comprehensive and scalable portfolio of processors, power management, sensing, and wired and wireless connectivity – all built on safe and secure foundation

## System solutions

Scalable, secure and efficient system solutions integrate hardware and software to enable advanced features and accelerate automotive development

## Collaboration

Partnering with automakers, suppliers and technology leaders to co-develop future-ready solutions, enhancing safety, security and efficiency

## Automotive

# Automotive market positions

# NXP addresses **evolving** automotive needs

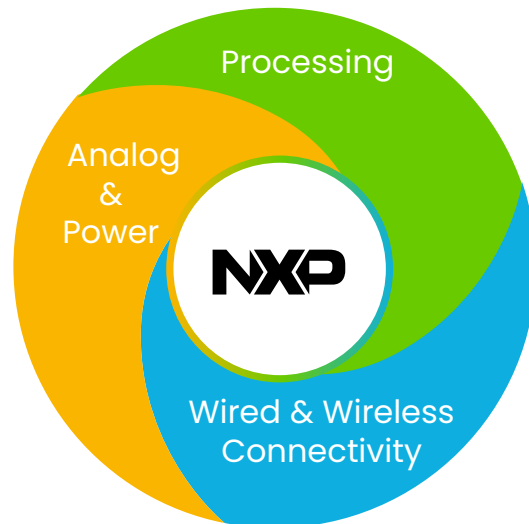

## System solution play

Systems offering required scalability

Tailored portfolios across processing, connectivity & analog solutions

Security & functional safety

Enablement based on customer needs

## Driving leading innovations

Leadership in automotive

First 5nm central compute processor (S32N)

RFCOMS radar one-chip

UWB system for smart car access

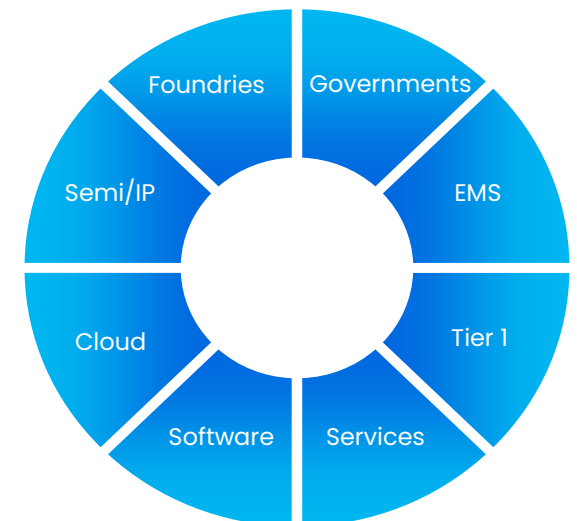

## Fostering ecosystem partnerships

Driving new collaborations with partners and customers

Partner program to create win-win scenarios

Scalable regional support structure

# Industrial & IoT

## Innovating edge to cloud

### Broad, scalable portfolio

Ultra-low-power and high-performance processors

High-performance crossover processors

Low-power secure and connected MCUs

Leader in connectivity – UWB, Wi-Fi, NFC, RFID and Bluetooth

### Common software

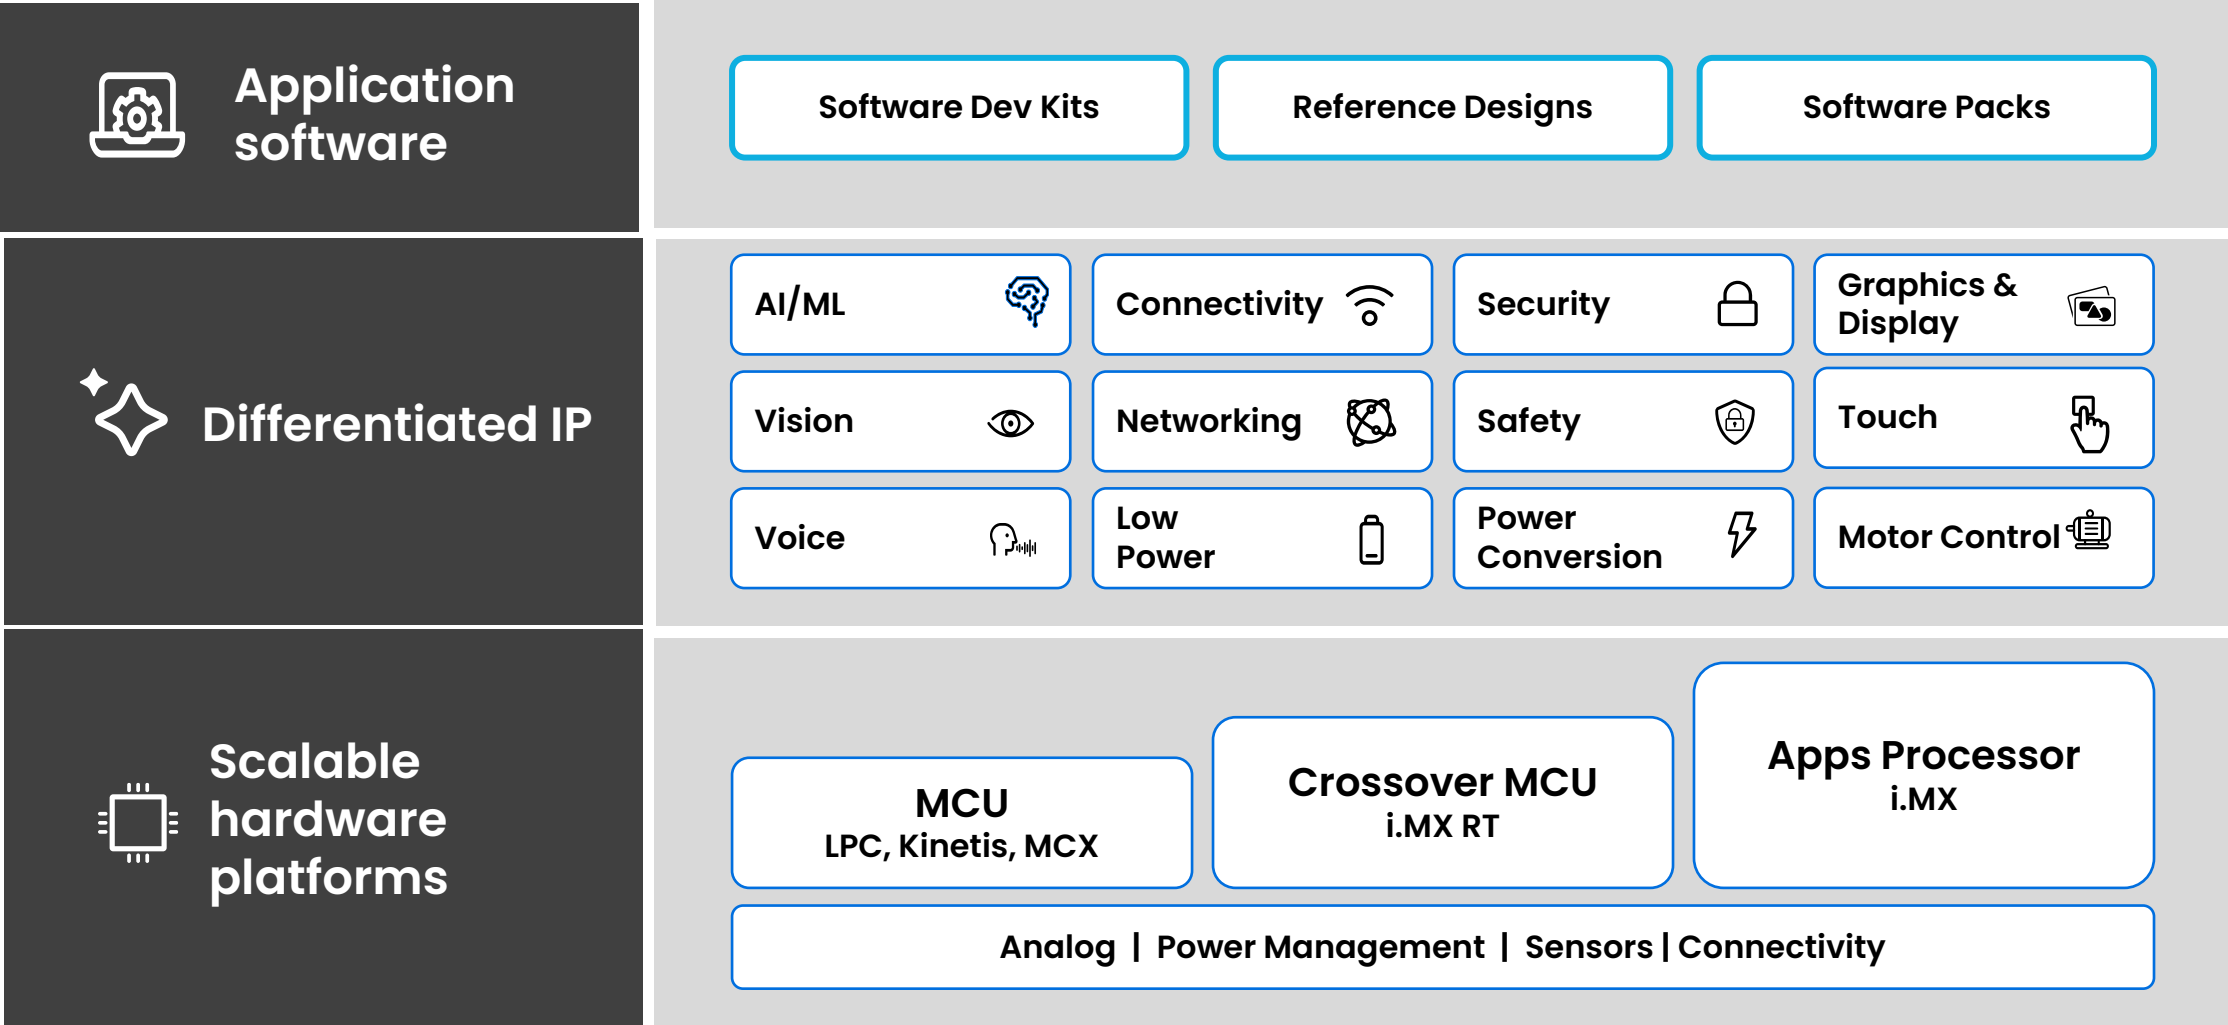

Large partner ecosystem

### Deep applications insights

From working with and supporting 26,000+ customers across thousands of applications

# Reducing technology complexity

# Mobile

## Enabling secure transactions

### Technology innovator

Leadership positions in NFC and embedded Secure Elements (eSE).

First in the industry to offer the full scope of mobile wallet development with mWallet 2GO.

Industry-first solution that combines UWB fine ranging, NFC, Secure Element, and embedded SIM (eSIM).

### Driving secure applications

Payment, transit, access, identification

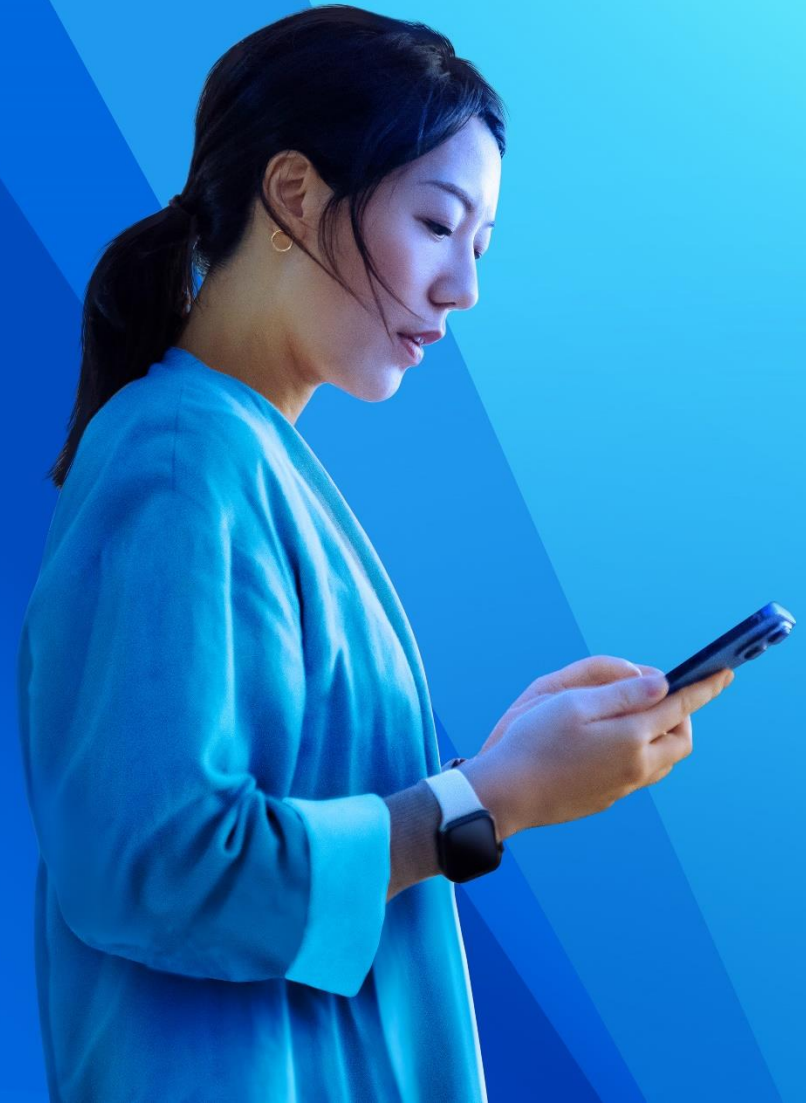

### Trusted partner across ecosystems

Mobile and wearable OEMs

Financial institutions

Governments

Public transit operators

# Communication Infrastructure

## Focused on 5G technologies

### Broad portfolio

Scalable digital processing platforms

DC to mmW RF frequencies

1.8 mW to 1.8 kW RF output power

### Rich ecosystem

In-house and third-party HW & SW solutions

### Technology differentiation

Exceptional processing performance/watt

Network-optimized acceleration

Leadership RF process technologies  
(GaN, LDMOS, SiGe, GaAs)

### Technology differentiation

#WeAreNXP | Together, we are NXP

#We  
are  
NXP

# Together, we accelerate the breakthroughs that **advance our world.**

## Our Purpose

Bringing together bright minds to create breakthrough technologies that make the connected world better, safer and more secure.

## Our People

The heart of NXP – our diverse and talented team members – drive the innovation that sets our company apart and fuels our success in the market.

## Our Technology

We're innovating advances in machine learning, automotive safety, connectivity, edge computing and more – all with a foundation of Total Quality.
